PRINCIPAL'S MESSAGE TO THE CLASS OF 1985

One of the primary goals of the West Campus program has been to create a climate and atmosphere in which young people could, in a sense, "find themselves." Of course we know that this is the first year of high school and that all class units count towards graduation and we know that the vast majority of you have been successful in the acquisition of those credits. However, we are also concerned that you have the opportunity to mature, make new friends and most of all, gain your confidence and insight on what it will take for you to become whatever it is you have set as your life goal(s). Our observations and other check points indicate to us we have been successful in our efforts to provide a full and rounded school year.

Please know that this is not the end. As a matter of fact, it is really the beginning. Part of your memmories will be the adult friendships that you have made during this school year. We shall be watching you as you move through the Berkeley school system. Know that we sincerely wish you the very best. The class of 1985 has the "RIGHT STUFF."

Sincerely,

John C. Newton
Principal

MESSAGE FROM THE VICE-PRINCIPAL

My hope is that as you look back at this book through the years, it will bring back pleasant memories of your ninth grade year at West Campus. I'm sure it has been a year of ups and downs, as well as growth-- academically, physically, and mentally.

For each of you I wish the best as you move on to another stage of your life.

Cheerleaders

The Cheerleaders did a great job cheering on our fantastic football team this year. They showed up at every game and never stopped giving as much of their energy as possible.

GO TEAM!

West Campus Sof-frosh football team tied for second place. Even though this season wasn't the best in West Campus history they did have some great players. For offence-Ronald Herbert had a great season with seven touchdowns. Alan Vaughan, Captain of the football team and Donald Nobles were two key players to the offence. On defence Keven Finny, Mike Younger, Nicco Janelli, Mateo Romero Oh yeah and Lamont Adams.

The Coaches, Chico Mendoza, who has been here since the school opened & Percy Crawford are both great!

CABARET-CAST

CABARET-CREW

Cabaret was the most successful (and probably the best) production ever presented by the West Campus dramatic arts department. The final two performances at-standing room only crowds in the main campus little theater.

Phillipe Chabot played the Master of Ceremonies, who presided not only over the Kit Kat Klub-the cabaret-but over the collapse of decency as the Nazis took over Germany in the late twenties and early thirties.

Other sparkling performances were contributed by Debbie Fink as Sally Bowles, the promiscuous cabaret singer; Josh Leavitt as Cliff Bradshaw, the American writer who falls in love with her; Rachel Magid as Fraulein Schneider, Cliff's landlady; Aaron Davidman as Herr Schultz, another boarder whose engagement to Fraulein Schneider is broken because of her fear of the Nazis; Jenny Kaufman as Fraulein Kost, a prostitute who lives in the boarding house, and Mike Ordona as Ernst Ludwig, Cliff's German friend who turns out to be a Nazi.

Pianist Peter Foley's professional accompaniment and incidental music kept the show moving despite the numerous scene changes. Dramatic scenes were sandwiched between songs and dance numbers, which not only entertained, but provided atmosphere for the events of the plot.

CABARET

Above, Leslie Francis was one of the Kit Kat Klub girls. Right, Fraulein Schneider (Rachel Magid) introduces Cliff (Josh Leavitt) to Fraulein Kost (Jenny Kaufman). Below, the Emcee and the Kit Kat girls perform "Wilkomen."
